Letter No 2180 dated 25-6-46 from the Chairman C I T Bd Bloom requesting sanction to the payment of joining time allowance and the pay of Mr P R Ramalinga Sastry Sub-overseer attached to the Trust Bd

Subd

1) In Go No L 53338 dated 15-12-45 approval of Govt was conveyed for the entertainment of the additional Executive Establishment consisting of one Overseer and two Sub-Overseers for the C.I.T Bd.

2) Against the above two Sub-overseers' posts, there was already a Sub-Overseer by name Mr B. Krishnamurthy working in the Trust Bd. The Engineer officer had to fill up only one post But he requested the Chief Engineer for Instn to post two Sub-overseers which was done and the two Sub-Overseers reported themselves for duty in the Trust Bd. This irregularly led to the addition of one more person in excess over the sanctioned strength of the Executive Establishment for a period of 26 days from

16.5 Lb to 10.6 Lb. The Engineer officer should not have created this confusion & inconsistency.

~~Now the Chairman suggests that in order to remove the difficulty~~

In order to remove the above difficulty, the Chairman has made a vacancy by requesting the C-in-C for Japan to withdraw from the Trust Bd office one overseer by name Sri P V Annaiah who has applied for combined leave with effect from 11 6 Lb & to shift his lien to some other place so that he (Chairman) could absorb Sri P R Ramalingam a sastry as sub overseer in the office this person is kept continued from 11.6 Lb thus bringing the total strength to the sanctioned scale

The Chairman requests, ~~before~~ in the circumstances, sanction to the extra cost involved from 16.5 Lb to 10.6 Lb by the retention of an extra Sub-overseer in the Trust Bd.

Submitted for orders.

SECRETARIAT, 9 JULY 1946 REV & REV DEPTT. LSG BRANCH

With reference to the Audit Objection Memo No.1915 dated the 12th June 1946 disallowing the claim in respect of the pay for May 1946, of Mr P R Ramalinga Sastry, Sub Overseer attached to the Trust Board on the ground that the total strength of the Executive Establishment has exceeded by one, I have the honour to forward herewith a copy of the Office Note dated the 20th June 1946 explaining the circumstances under which the excess occurred from 16th May 1946 to 10th June 1946.

In this connection, I have requested the Chief Engineer separately to-day to withdraw from this office one Oversee by name Mr P V.Annaiah who has applied for combined leave for three months with effect from 11th June 1946, on medical grounds and to shift his lien to some other office from the same date in order to avoid the

excess pointed out by the Comptroller.

I request that in the circumstances explained in the note sanction of Government may kindly be obtained to the extra cost involved (Joining time from 16th May 1946 to 22nd May 1946 and pay from 23rd May 46 to 10th June 1946 - inclusive) by the retention of an extra Sub Overseer.

I have the honour to be,
Sir,
Your most obedient servant,

N O T E

The Engineer Officer in his letter No 28, dated the 24th August 1944, addressed to the Secretary to Government, Law Department, had proposed the strength of the Executive Establishment as follows -

1 Five Overseers and
2 Thirteen Surveyors

The Government in their letter No L 3135/11 157-44-12 dated the 9th October 1944 addressed the Chief Engineer for Irrigation in Mysore, Bangalore requested to post among others two Overseers and five Sub Overseers pending orders of Government to enable the Engineer Officer to carry out the several works entrusted to the Board Accordingly, the following hands were posted by the Chief Engineer

1 Mr N Venkoba Rao, Overseer
2 " P Annaiah do
3 " A G Krupakaran, Sub Overseer
4 " Channanmiah, do
5 " Murray do
6 " Govindarajan do
7 " H Krishnamurthy do

Mr B Krishnamurthy, Sub Overseer who was posted in Chief Engineer's No 1862-65/E dated the 25th September 1945 in place of Mr P N Puttanna of the Drainage Division transferred to Shimoga circle, reported himself for duty in this office on 22nd October 1945.

On a reference to the Chief Engineer from this office, the Chief Engineer cancelled the orders of transfer of Mr P N Puttanna, vide No 2987-89/E dated the 15th November 1945 and Mr. B Krishnamurthy was however permitted to work in the Trust Board against the additional establishment asked for in this office No 389 dated the 26th October 1945 addressed to the Additional Secretary to Government of Mysore, Bangalore pending sanction.

In this office No 389 dated the 26th October 1945, addressed to the Additional Secretary, sanction was sought to the appointment of one more Overseer and three Sub Overseers so that Mr B Krishnamurthy might be merged against one of the sanctioned posts

But, the Revenue Secretary to Government intimated in his D O letter No L.5338 dated the 15th December 1945 that the Government had among others, approved of the additional Executive Establishment consisting of only one Overseer and two Sub Overseers instead of one Overseer and three Sub Overseers asked for Accordingly, the Chief Engineer was addressed by this office on 22nd December 1945 enclosing a copy of D O letter received from Government with a request to post one Overseer, two Sub Overseers and two Tracers

It is submitted that the ~~xxkxkxxkxmxx~~ initial mistake appears to have occurred at this stage in having recommended to the Chief Engineer to post one Overseer and two Sub Overseers instead of only one Overseer and one Sub Overseer as Mr Krishnamurthy who was already working in the Trust Board as per Chief Engineer's instructions continued against one of the two sanctioned posts

There was thus no sanction for the continuance of Mr. B Krishnamurthy during the period, but he was however continued in one of the esistinh vacancies caused by the non-reporting to duty of the officials posted from time to time - for example -

1 Mr. C.L K Rao, Overseer reported himself for duty on the 4th February 1946.

2. Mr H P Somasundaram on the 23rd February 1946.

3 Mr. D Srinivasa Rao on the 4th April 1946.

4 Mr V Naryanaswami Mudaliar, Sub Overseer, who was posted in place of Mr. Hyder Ali (Promoted as Probationary Assistant Engineer) in Chief Engineer's No 4844-47/E dated the 29th January 1946, reported for duty on 22nd April 1946

5 Mr M Narayana Rao, Surveyor whose services were placed at the disposal of the Bangalore City Municipality as per Government Order No 7717-20/M1 10-45-13 dated the 30th January 1946 was relieved on 25th February 1946.

In his (Mr M Narayana Rao's) place Mr Ramalinga Sastry was transferred in Chief Engineer's No 7217-20/E, dated the 25th April 1946 Mr Ramalinga Sastry ~~reported~~ was relieved of his duties at Nanjanagapura on the afternoon of 15th May 1946 reported himself for duty in this office on 23rd May 1946 Till ~~this date~~ there was no trouble and the continuance of Mr B Krishnamurthy was in order With the addition of Mr Ramalinga Sastry ~~on the 23rd May 1946~~, the strength of the Executive Establishment was increased by one This was not noticed till the Audit objection was received from the Comptroller's office, when Mr Ramalinga Sastry's pay bill was sent for Audit.

Now, that orders have been passed on Mr Anniah's ~~for~~ leave application, that while recommending his leave the Chief Engineer may be requested to withdraw him from this office from the date of his leave - viz 11th June 1946, a draft letter will be put up accordingly to the Chief Engineer for approval.

Sanction of Government will have to be obtained ~~to admit the claim of~~ a Sub Overseer who was in excess of to admit the journey time allowance and pay of

the sanctioned strength from 16th May 1946 to 10th June 1946. If approved a draft recommendation will be put up explaining the circumstances of the case.

Over to the Chairman
"Perhaps a letter to the
E E and Govt accordingly"
